

Viterbi Admission and Student Engagement (VASE)

Goulis@usc.edu

USC
Viterbi
*Admission and
Student Engagement*

What is VASE?

- Supports the lifecycle of the Viterbi Student (UG, MS and PhD)
- Liaison to the rest of the university on any issues related to all students and programs, including, policies etc.
- Manage Viterbi International Offices (Bangalore, Shanghai)

Areas of Responsibility:

- Undergraduate Admissions in coordination with central USC Admissions
- Master's Admissions
- Support PhD Admissions
- First Semester Advisement for undergraduate students
- **DEI for students including Center for Engineering Diversity**
- **Student Wellness Initiatives**
- **Student engagement programs – Engage SC/Experience Viterbi**
- Student services not handled by the dept (CPT, academic probation, academic integrity)
- Doctoral Program – PhD fellowship and funding tracking, PhD progress
- Events (commencement, orientation, scholarships, community building)
- Career Connections
- Executive and Professional Education

Undergraduate Student Programs

Progressive Degree Program

Provides an opportunity for undergrads to pursue an accelerated MS program starting as early as their junior year.

Women in Engineering & Undergraduate Programs

WIE develops support programs specifically for our female students, both undergraduate and graduate students designed to bring female students together for community building, mentorship and professional development

Career Connections (grad & undergrad students)

Connect students early in their academic careers

Career Fair, Career Conference, job postings, employer relations, internships, resume review, career counseling

Work closely with central Career Center in supporting all students
